

Cursillo de Cursillos

Cursillo de Cursillos or CDC, what is it? Simply stated, it is a *course* on the Foundational Charism of Cursillo for Cursillistas. Developed by the Founder, Eduardo Bonnín, Cursillo de Cursillos helps Cursillistas to delve into the foundational elements of the movement in light of its charism. Just like the 3-day weekend, the CDC starts on Thursday night and concludes on Sunday afternoon and includes 13 rollos and four meditations! The CDC experience is co-ed so spouses may attend together!

Each day creates a different environment in and through the participation of the Cursillistas in friendship. Besides, providing an increased knowledge of the Charism of Cursillo, the participants enjoy the opportunity to strengthen and renew friendships, make new friends, share and learn from one another personal experiences. As well, as discovered during the 3-Day Weekend, each Cursillista will have the opportunity to deepen the three essential encounters with self, Christ and others!

- ◆ *Do you want to experience that fire you felt after your 3-Day Cursillo weekend?*
- ◆ *Do you want to renew your inspiration to communicate that God Loves You?*
- ◆ *Do you want to rekindle friendships with people of like minds and beliefs?*
- ◆ *Do you want to learn the Cursillo Charism that is shared around the world from Regional, National and World leaders in the movement?*
