**Background:** In the past 15 years, all Cursillos around the world are striving to be consistent with one another, and most importantly, with the ideals and mentality of our founder, Eduardo Bonnin Aquilo. Eduardo had written an outline he called Step by Step to guide each Cursillo 3-Day Weekend including all the rollos. The Step By Step Guide **IS** the source of directions for a Cursillo weekend. It has taken some years to translate these works into English, and now in the USA, each diocese is undergoing an effort to refine their Cursillo Weekends to be in unison with Eduardo's thinking and mentality. To assist in this process, the Diocese of Rochester will present the Step by Step Guide to our Cursillistas in a series of three workshops. All are invited to attend (even if you can only make one meeting.)

**Looking Into The Future:** Once the three meetings in January, March and April 2020 are concluded then it is likely that a committee will be formed to help guide the implementation. The committee will report to the School of Leaders and from the School of Leaders to the Secretariat. National Cursillo hopes that all Diocese will have completed implementation over the next several years.

**What Steps have been taken by the Diocese of Rochester Cursillo to prepare for the implementation?** After National Cursillo instruction to our regional representatives, a regional team provided Step by Step Training to diocesan representatives in Pittsburgh, PA in May 2019. The Diocese of Rochester was able to send five representatives to this training: Margi Lash, Bobbi LaVoie, Anne Paluskiewicz, Dcn. David Paluskiewicz, and Sr. Theresa Rutty. They have taken the time to study and reflect on the Step by Step Guide; and are now working as a team to bring the Step by Step Guide to the people of the Diocese of Rochester. Margi and Anne serve as co-coordinators.
